Other Council present- David Wight, Shirley Brissette, Carol May and Linda McLeod

Council President Smart called the meeting to order at 5:13 p.m.

1. Discussion was made about establishing a Community Award for Jan Klitch. Some ideas were a Park Bench named in her honor put down by the boat landing and/or a Scholarship for an Old Town High School student.

2. Travis Roy, Asst Manager/Assessor discussed with the council a request from Habitat for Humanity of the Greater Bangor area for a donation of the lot at 614 West Old Town Road for the purposes of building a new single family home. The lot was acquired pursuant to a mature tax lien. This 1.25 acre lot has been put out to bid by the City and we received no bids for the property. The lot currently has a 1976 uninhabitable mobile home on it.
   The City Council discussed this option and decided to put the property out to bid one more time to see if there was any interest in someone purchasing the property.
